Extended Day Options Registration: 2018-2019

As many of you are aware, we offer additional programs to lengthen your child's day. Now is the time to sign up if you know you are interested. Payment for the first trimester is due with this registration form. You need to pay for the trimester in advance before your child can begin in a class. If you use **early morning drop off or late pick up** on occasion, you may pay each time your child stays. **No child will be allowed to attend a program until payment is received. This year, for the lunch and extended day program we will be selling "10 Pack Coupon Books" Before your child can stay, you must give your child's teacher a coupon. Any unused coupons at the end of the year will be bought back.**

For dance, soccer, Lego and karate children **bring** lunch and either eat before or after the class, depending on the class time. We will have more information about timing once we see what the enrollment is. Children who attend school in the afternoon will be walked to their regular school room when the extra program is finished. **These programs are available to our full day children as well. Full day families will only pay for the activity since they have paid for a full day of school. There will be no refunds for missed classes.**

Here is a list of programs we plan to offer beginning in September:

Early Morning Drop Off: Every day 7:30- 8:45

Maximum of 8 children a day. You can drop off your child as early as 7:30 and be on your way!

Lunch Bunch: Every day 11:35 – 12:15:

Children who attend school in the morning may bring lunch and children who attend school in the afternoon may arrive early with lunch and have lunch with friends before class begins.

Lunch before or after Spotlight Gymnastics: Every day 11:30 – 12:30 or 11:40 – 12:15

Children who attend school in the morning may bring a lunch and we will walk them to gymnastics at class time. Afternoon children who are attending a gymnastics

class should bring a lunch and they will be walked to the lunch room by Spotlight staff after their class ends. **All gymnastic classes must be booked with Spotlight.**

Music for 6 months – 2 years: Wednesday’s 9:00 – 9:30 Adult/child class

After you drop off your pre-schooler come join Ms. Laura for a half hour of music, dance & fun!

Dance Class & Lunch: Taught by Ballet Arts staff **Every Monday 11:30.**

Lunch time to be decided See class description on separate page

Maximum number of children: 12

Engineering Fundamentals with Lego: This class is for 4 year olds only Taught by Play-Well Teknologies. **Every Monday 11:20 – 1:10.** See class description on separate page

Thursday: _____

Program Descriptions

Dance Class: This is an introduction to dance. Jazz, modern, ballet, and rhythmic movement are just an example of what will be covered. Each class will be taught by a qualified instructor from Ballet Arts of Pelham.

Soccer: This is a class that teaches children basic soccer skills. The fun approach ensures that your child has an absolute blast while developing physical skills and self-concepts. The HappyFeet curriculum is designed to gradually develop ever more advanced physical skills and self-belief. HappyFeet is age and skill level appropriate.

Engineering Fundamentals: This class is for 4 year olds only.

Sesson One: Pre-Engineering using LEGO®

Intro to STEM Let your imagination run wild with tens of thousands of LEGO®! Build engineer designed projects such as boats, bridges, mazes and motorized cars, and use special pieces to create your own unique design.

Karate: Jeff Schleihauf from Balanced Martial Arts teaches the children karate moves as they learn to listen, follow directions and be respectful. Each class includes time for character building discussions about honesty, caring and responsibility to others to name a few. The children are excited to earn strips on their belts and even break boards!

Spanish Immersion: Pamela Irarrazabal and Vanessa Bahamundi, both of whom are native speakers, teach a developmentally appropriate preschool class in Spanish. The children naturally learn the language by hearing it spoken during daily routines, stories and songs. This class runs Monday – Friday from 12:15 – 2:45. Children may attend 2, 3, or 5 days. For more information please contact the school office.
