June Bugs

Dear Parents,

As many of you know, we run two summer programs. One is called June Bugs and it is our 2 week summer program. Registration will be on a first come first served basis. Children may attend half day or full day. To attend full day, your child must be 3 by September 30th, 2024. This year, we are offering two different programs: our Original June Bugs Program and our **New Spanish Immersion June Bugs**. The only difference between the two is that the Spanish Immersion program will be focused on developing your child's Spanish language skills while they have fun. We look forward to welcoming your child to our June Bugs program and providing them with a safe and enjoyable experience.

June Bugs will begin **June 10th** and ends **June 23rd**. The time of June Bugs is **8:45 – 11:45 or 8:45 – 2:45**. Children may attend two to five days a week. For staffing purposes we need to know that we are fully enrolled for the two weeks so **enrollment is for two weeks**. The cost for June Bugs is as follows: There is a discount for all Huguenot Nursery School families, including those starting in September.
